

TRIP TO PAPUA

In June FCI members Gary and Rose made a mission trip to Papua where they conducted eight seminars in Jayapura City and Entrop and surrounding areas. Over the past 12 months they collected and shipped 24 boxes of materials for distribution to needy situations there including three computers, two laptops, English books, children's and adults clothing, toys, bags, children's board games and some cameras which they gave to three major institutions.

On the trip Gary and Rose were joined by FCI volunteer Fivi who conducted 5 seminars for teachers while Gary conducted 3 seminars for parents.

In addition the team donated 14 sets of the STEPS Character Building curriculums in Indonesian to 5 different institutions. They also had the opportunity to meet many new friends, deliver inspirational talks to several other groups and shore up plans to make their next trip at the end of August.

Gary and Rose would like to thank those who donated generously the many needed materials distributed on this trip as well as those who made their trip possible.

DISTRIBUTION OF "SCOTT'S EMULSION VITAMINS" THROUGHOUT INDONESIA.

In mid-May FCI member Esther met with the management of "Pt. Glaxo-Smith Indonesia" to receive 200,000 bottles of "Scott's Emulsion Vitamins" for Family Care Indonesia to distribute to needy situations throughout all of Indonesia.

So far, our FCI teams have been busy shipping these vitamins to the regions of NTT and have been visiting schools in Jakarta and surrounding areas and cities distributing "Scott's Emulsion".

Thank you "Pt. Glaxo-Smith Indonesia" for giving FCI an opportunity to help so many by distributing "Scott's Emulsion Vitamins" to the needy.
