

## ***Assistance to Atambua NTT***

5 FCI volunteers traveled to the mountainous region of Atambua on the island of Timor for one week visiting 2 villages. Thanks to the generosity of sponsors in Jakarta our team distributed vitamins and medical supplies to a local clinic in the area. In the villages we always take time to interact with the children through songs and activities that make our visit a fun experience. We brought with us donated toys that we gave away to the children, they were so thankful for these gifts. For the families we provided basic food packages, It is such a wonderful experience for us to interact in this way and we are very thankful for all those who help to make this event a success.

## ***Bicycles donated for our next trip to Timor***

This month we have been preparing for our next trip to Timor by visiting sponsors and getting everything ready for the trip. We wanted to take this opportunity to thank United Bicycle once again for donating bicycles to take to this area. These bicycles are a very useful item in these remote areas.

### ***Interacting at Street Children Jamboree***

FCI joins "Sahabat Anak" as they conduct a camping jamboree for street children in south Jakarta. We had a wonderful time interacting with other volunteers and the children during this special event. This was a two day event conducted by "Sahabat Anak" to create awareness and promote potential in street children.

### ***Character Building materials for parents and teachers***

FCI volunteers participate in a school open house to offer character building materials to parents and teachers in Jakarta as part of a fund raising event. These educational and motivational materials are in the form of books, music CDs and DVDs to use on a personal basis or in schools
