

## A TRIP TO VILLAGE SCHOOLS IN MANADO

Recently Family Care Indonesia volunteers Eve and Terry visited Manado and surrounding villages for two weeks distributing children's "Character Building" VCDs and activity pages in surrounding schools. They taught the children action songs, plus simple English phrases, and played games together with the children. The principals were very happy for the visits and the donated children's materials. Many thanks to Sriwijaya Airlines and our hosts & others who made this trip possible!

## LEADERSHIP TRAINING AT BMU

During the month of November & December FCI volunteers worked with the Bunda Mulia University faculty in an advanced student leadership training program focusing on the need to reach out & care for others. A special "I Care Workshop" was held that included T-shirt painting and the creation of "Care Packages". The packages were designed for each student to give to those less fortunate and were distributed to the children at the two centers of the Kasih Anak Kanter Indonesia. We had a wonderful time working together with the Bunda Mulia University faculty and students in this program.

# CHRISTMAS VISITS TO BINTARO AND BOGOR

This Christmas, FCI members visited two homes for the elderly and two orphanages in Bintaro and Bogor as part of their ongoing efforts to encourage the elderly and help improve educational opportunities for the orphans. With each visit the FCI young people presented a lively Christmas program and then enjoyed a sponsored lunch together. For the elderly FCI distributed individual care packages of personal items and at the orphanages care packages were given along with two new computer sets for the children's schooling.

## CHRISTMAS AT RUMAH KASIH ORPHANAGE, LEMBANG

Through the sponsorship of kind friends, FCI volunteers donated a Christmas tree, lights and sparkling Christmas decorations to the Rumah Kasih Orphanage in Lembang. FCI youth also made Christmas Angels for the orphans to hang on their new tree. A week later FCI volunteers brought the children a special Christmas meal along with sports equipment for the children.
